

Community Truck Survey

Be a truck-watcher—Volunteer to observe trucks for at least 1 hour on residential streets!

WHY OBSERVE TRUCKS??

- Residents of Southwest Detroit say diesel pollution and truck traffic are top concerns
- Diesel emissions are harmful to our health
- Collecting information can help to solve the problem

HOW WE CAN HELP:

- With your help, we can identify streets that should be truck-free and call for better truck routes.
- SDEV wants to assist truck companies with opportunities to reduce diesel pollution by reducing idling and improving equipment.

WANT TO KNOW MORE?...Come to our truck counting training!

JULY 29th @ 6:30 pm - 8:00 pm

Trinity St. Marks Church (9315 W. Fort St.)

Counting can be done from your porch or for short periods of time at specific locations. To report a street of concern please contact us.
